

One idea. Every detail connected.

Events, brand experiences
and creative production.

CREATIVE THINKING. PRACTICAL DELIVERY.

From the first sketch to the final guest.

01 / MEET TRIDENT

Creative thinking. Considered delivery.

Trident Solutions is an Oman-based event and experiential marketing company. We connect concepts, design, production, media and guest experiences around one clear brief.

From a single branded installation to a complete event, we coordinate the specialists and production partners each project needs, with one point of contact and an agreed delivery plan.

Brand presentation, hospitality and occasion, brought together.

WHAT THIS MEANS FOR YOU

Clear direction

A concept shaped around your audience and brand.

Connected delivery

Design, production and specialist coordination.

Visible progress

Defined deliverables, costs and approval stages.

Launches / Exhibitions / Activations / Corporate occasions

Ideas people can step into.

Event conceptualization & execution

Creative planning and delivery for car launches, showroom openings, exhibitions, roadshows, off-road experiences, corporate occasions, family days, festivals and brand activations.

3D visualization & graphic design

Concepts, layouts, 3D renders and artwork help you review the setting before production. Stages, exhibition stands, branded spaces and campaign graphics.

Interactive event technology

Immersive displays, interactive games, holographic presentations, robotic experiences and launch effects, arranged through specialist providers around your venue, audience and budget.

From a printed detail to a public presence.

Branded entrances

Digital outdoor media

Printing, fabrication & production

Flags, banners, fabric graphics, signage, stickers and branded bags. Arches, booths, exhibition stands and vehicle displays, with materials, finishing and installation coordinated to the brief.

OOH & DOOH media

Outdoor and digital outdoor planning, format selection, placement coordination, artwork adaptation and campaign scheduling.

Digital marketing & PR

Campaign planning, social content, digital creative, media buying and PR placements connect your event with its wider audience.

Photography & videography

Event coverage, automotive and off-road content, promotional films and social reels. FPV drone coverage arranged subject to permissions and location conditions.

The details your guests remember.
